

Notice of Readoption with Technical Changes
N.J.A.C. 7:4 - The New Jersey Register of Historic Places Rules

The New Jersey Historic Preservation Office is proposing to readopt the New Jersey Register of Historic Places Rules (N.J.A.C. 7:4), which are scheduled to expire on August 5, 2015. The Rules establish procedures to 1) nominate historic sites to the New Jersey Register of Historic Places, 2) evaluate the impact of public undertakings on historic properties listed on the New Jersey Register of Historic Places, and 3) consult with other Department programs or non-federal government agencies regarding the identification of historic properties, the assessment of effects on historic properties, and the recommendation of alternatives or mitigation for those effects.

The Rules are being readopted with technical changes. These changes are minor in nature, do not affect the nature, scope, or impact of the rules, and include items such as spelling and grammatical corrections and updating addresses and websites that may have changed since the last readoption in 2008.

If you have any questions or would like to comment on the proposed Readoption, please contact Jonathan Kinney of the Historic Preservation Office staff at (609) 984-0141 or jonathan.kinney@dep.nj.gov by April 20, 2015.
